

LEE COUNTY

MOSQUITO/HYACINTH CONTROL DISTRICTS

November, 2013

Important Calendar Dates:

Nov. 5th: Retirement Seminar—East County Water Mgmt. Dist. 9-11:00 am

Nov. 7th: Board Meeting—9:00 am

Nov. 9th: Static Display—DC-3—Page Field

Nov. 15th: Shelly Redovan's presentation to Sanibel Community House

Nov. 26th: Supervisors' Mtg. 2:30 pm

Please welcome Russ Baker our new Deputy Director for Administration and Chief Financial Officer. Russ brings over 32 years of experience in public and governmental accounting to the Districts and is a license Certified Public Accountant with a BA degree in Business Administration from USF. He has a "HUGEa" amount of experience with Special Districts, serving as a financial consultant to Special Districts, auditing Special Districts and working as the Finance Director at a Special District. Russ is a southwest native, born in Punta Gorda, and has spent his career living and working here. He is married to Tina and has four children.

October 3rd was the date for LCMCD and LCHCD's employees to attend a presentation from the United Way Organization. This year, our districts were selected to be in the *PaceSetter Group*. Our districts have been participants in the United Way Drive for over 50 years.

Executive Director, T. Wayne Gale, opened our meeting with an explanation of a *PaceSetter* group and Shelly Redovan spoke of Alzheimer's help available to families. Our speaker, Ms. Kay Timms of the Abuse/Counseling Treatment Center explained the many ways her department can help a broken family.

Congratulations to our personnel for a 64% participation and a 41% increase in our giving to United Way. We thank Jennylynn, of United Way, for her efforts.

We welcome Scott Shanks, our new transport operator, call number 175—cell number 239.841.3873.

Dewey Shelton has transferred to the *Maintenance Department*, Extension 2147 or 2153

LEADERSHIP CAPE CORAL

OCTOBER 24, 2013

The Leadership Cape Coral group was welcomed by Executive Director T. Wayne Gale. After the group viewed our Lee County Mosquito and Hyacinth Control Districts' Video, they were given a power point presentation of our Larviciding procedures by Bryan Smith and Adulticiding procedures by Katie Heggemeier. The group was then split up into two groups. Each group met with Kevin Watts of Aquatic Plant Management and James Burgess our Mosquito Disease Surveillance Manager. A bus tour of our compound was given by Executive Director T. Wayne Gale.

Don Doggett received the Honorary Lifetime Member status at the last annual Florida Aquatic Plant Management Society Meeting in St. Augustine, October 16th. Congrats, Don.
