From: ADG Architecture llc

Project Number: 2023-J-135

Date: 04.11.2024

RE: Bidding RFI #1 Responses

The responses included in this document shall become a part of the Contract Documents and modify the original Permit/Bid documents dated 12-15-2023.

RFI QUESTIONS & RESPONSES

QUESTION: *Per the plans it states the lockers are owner purchased and owner installed, can you confirm this or will the contractor be responsible for the lockers?*

RESPONSE: Yes, the lockers will be owner furnished and owner installed.

QUESTION: *Where will construction staging and dumpsters be located on site?*

RESPONSE: Construction staging and dumpsters will be located in the parking lot north of Building E.

QUESTION: *Will contractors need to provide temporary restroom facilities during construction?*

RESPONSE: Yes, contractors will need to provide temporary restroom facilities during construction.

QUESTION: *With the demolition of the existing sidewalk, will the contractor be responsible for alternate foot traffic operations?*

RESPONSE: Yes, the contractor will be responsible for providing temporary barriers restricting access to the area of construction around the demolished and new sidewalk.

Lee County Mosquito Control District Building E Renovation

QUESTION: *Elevation of the underside of the structure is required as certain partitions and/or insulation shows on the partition types to extend to the underside of the structure.*

RESPONSE: See attached existing Building E drawings. Proposer to review these documents and field verify existing dimensions for elevation to underside of structure.
